

Enjoy our resident printer amenity!

Print from anywhere using  
any personal device  
**No App Required**

## Easy to Use

- 1 Visit [printwithme.com/print](https://printwithme.com/print)**
- 2 Select our printer's location.** Click 'Search for a Private Location' and enter our community's name, address or printer email address.
- 3 Upload your file(s).** Follow instructions to select printing preferences and press 'Complete Order & Print' to receive a secure release code.
- 4 Print.** Enter your secure release code on the printer's touchscreen to get your print!

**Ask a member of our team  
for the printer's location.**
